

# Win up to £5000

## Support GAFIRS - your local independent lifeboat service - and you could win cash

GAFIRS\* is an independent lifeboat service that covers The Solent, from Portsmouth Harbour to Titchfield Haven. Completely independent of the RNLI, the service relies on donations like yours and fundraising to support itself so it is able to provide a life saving service in the waters around Gosport and Fareham.

The crew is regularly called away from their families, their beds and their work, 24 hours a day, 365 days a year by UK Coastguard to assist in incidents. Often they'll leave a place of comfort to brave the cold and wet, in situations that test their skill, strength and courage. Their lifesaving work is essential, often difficult and sometimes dangerous.

**For just £2 a week – less than the price of a pint – you could help fund this vital local lifeboat station and win up to £5,000 in the process.**

## Help keep your local independent lifeboat afloat

To get started, simply pick four numbers between one and 31 and write them on the form overleaf. The Jackpot prize starts at £1,000 and increases by £100 each week.

Match four and you win the Jackpot, match three and you win £25. If the Jackpot reaches £5,000 we keep drawing until we find a winner – nothing could be more simple or fair. And there is no need to check if you've won as we will automatically send any winnings to you.

**Everyone's a winner with the GAFIRS Lifeboat Lotto.**
